

Poster Displays, List I

1	Behzad Kord	Effect of Organo-Modified Layered Silicates on Flammability Performance of Wood Polymer Nanocomposite
2	Reza Bakhshi, Majid Kiaeai	Effect of sea level variation on wood physical and mechanical properties of cypress (<i>cupressus sempervirens</i>)
3	Mohammad Dahmardeh Ghalehno, Morteza Nazerian , Ali Bayat Kashkooli	The manufacture of particleboards using mixture of Reed (surface layer) and commercial species (middle layer)
4	Morteza Nazerian , Hossin Kermaniyan, Hossein Rangavar	Mechanical properties and physical behavior of Laminated Veneer Lumber: Effects of wood species (<i>Populus deltoids</i> and <i>Tamarix aphila</i>) and loading direction
5	Сопушинский И.Н. Винтонив И.С. Рябчук В.П. / Sopushinskiy I.N., Vintoniv I.S., Ryabchuk V.P.	Декоративность нормальной древесины / Normal Wood Ornamentality
6	Сопушинский И.Н. Винтонив И.С. Рябчук В.П. / Sopushinskiy I.N., Vintoniv I.S., Ryabchuk V.P.	Декоративность аномальной древесины Abnormal Wood Ornamentality
7	Ali Bayatkashkoli, Mohammad Dahmardeh, Mohammad Shamsian, Mortaza Nazerian	The effect of treatments of heating and steaming on the changing of dimension and weigh samples (poplar and beech)
8	Ali Bayatkashkoli, Mohammad Dahmardeh, Mohammad Shamsian, Mortaza Nazerian	The effect of treatments of heating and steaming on the changing of dimension and weigh samples (fir and pine)
9	Majid Kiaeai, Reza Bakhshi	Some of physical and static bending properties of cypress wood (<i>cupressus sempervirence</i>) in north's of Iran natural forest
10	Majid Kiaeai, Reza Bakhshi	Effect elevation altitudes of sea level on physical properties of hornbeam (Case study in Mashelak forest of Iran)
11	Елена Алексеевна Пинчевская, Валерий Степанович Коваль / Helen Alekseyevna Pinchevskaya, Valerie Stepanovich Koval	Технология сушки пиломатериалов с заданными показателями ее качества / Saw timber drying technology with setting indices of dreying quality
12	Александр Петрович Рябоконт Alexander Petrovich Ryabokon	Техническое решение проблемы воспроизводства спелой древесины в первых целевых программах рубок ухода в Украине/ Technical Solution to the Problem of Ripe Wood Reproducing within First Target Programs of Improvement Cuttings in Ukraine
13	H. Rangavar	Application of Recycled Banknote in Manufacturing of Gypsum Wood Plasterboard
14	Research Assistant Elif Topaloglu, Prof. Dr. Nurgül AY	The Physical and Mechanical Properties of <i>Larix sibirica</i> wood
15	W. Strykowski, PhD	The role of the forest-based sector in the economic development of Poland

16	Курицын Анатолий Константинович / Kuritsyn Anatoliy Constantinovich	Новый подход к международной и национальной стандартизации лесоматериалов/ New approach to timber international and national standardization
17	Mari, E. L, Moran, Ma. S. R. and Austria, C.O.	Paper Mill Sludge as Fiber Additive in Asphalt Mix for Road Pavement
18	Yuriy Semenov, Michael Ermochonkov, Aleksy Evstigneev, Tatyana Kuvik	Method of Predicting the Color of Heat- Treatment Wood
19	Sviderskaya Irina, Shipitsina Ekaterina, Soukhovolsky Vladislav	Lumen Diameter-to-Wall Thickness Ratio in Tracheid: Optimization Approach
20	Маргарита Васильевна Кистерная, Валерий Александрович Козлов / Margaret Vasilyevna Kisternaya, Valeria Alexandrovich Kozlov	Информационный потенциал древесины архитектурных памятников / Wood of architectural monuments as an information resource
21	Рунова Елена Михайловна Гребенюк Андрей Леонидович / Runova Helena Mikhaylovna, Grebennyuk Andrey Leonidovich	Экологические особенности выделения лесов высокой природоохранной ценности в эксплуатационных лесах Приангарья / Ecological features of allocation of woods of high nature protection value in operational woods Priangarie
22	А.А. Кнорре, А.В. Кирдянов A.A. Knorr, A.V. Kirdyanov	Стабильные изотопы ($\delta^{13}\text{C}$ и $\delta^{18}\text{O}$) в древесных кольцах при дендроклиматических исследованиях в сибире / Tree ring stable isotopes ($\delta^{13}\text{C}$ and $\delta^{18}\text{O}$) in dendroclimatic
